C. Provide tax breaks to farmers and ranchers who agree to preserve their agricultural lands for farming or ranching.	88	86	92	94	84	87	91	88	87	89
A. Charge developers and construction companies a fee when they subdivide property and build more homes. Home costs in the subdivision would likely increase because of the fee. Revenue from the fee would be dedicated to the preservation of farm and ranch land.	59	58	61	60	60	57	62	58	61	58
B. Preserve agricultural land by using tax dollars to purchase development rights from farmers and ranchers.	51	47	58	50	49	53	60	49	51	51
